

# JOINT HEALTH & SAFETY COMMITTEE CERTIFICATION TRAINING PART 2 for HEALTH CARE FACILITIES

## LEGAL REQUIREMENTS

Once JHSC Members have successfully completed Basic Certification Training Part 1, they are required to fulfill the requirements of Part 2 for the industry that the workplace is in. Part 2 is hazard specific to the workplace. Both parts 1 and 2 are required under the Occupational Health and Safety Act section 9, for a JHSC member to be certified.

**COURSE LENGTH:** 2 Days

**COURSE INCLUDES:** Training Manuals, Wall Certificate, Records of Training, Attendance Report, and Application Exercises

**LOCATION:** Training sessions are available onsite at your facility, publically across Ontario, or our state of the art training facility. If your facility does not have access to a boardroom, IST has a mobile classroom called the Safety Bus. Please contact our office for more detailed information about training formats and date availability.

**PRICE:** Minimum 6 Participants—\$350.00 Per Person \*Plus HST

## HAZARD MODULES

Based on the results of your Hazard Assessment, the following sample modules may apply to your workplace:

- |  |   |   |
|--|---|---|
| <input checked="" type="checkbox"/> Manual Material Handling/RSI | <input checked="" type="checkbox"/> Violence in the Workplace | <input checked="" type="checkbox"/> Kitchen Hazards   |
| <input checked="" type="checkbox"/> Slips & Trips                | <input checked="" type="checkbox"/> Chemical Hazards          | <input checked="" type="checkbox"/> Infection Control |

**Phone:** 705.792.0128  
**Toll-Free:** 800.219.8660  
**Fax:** 705.792.6619  
**Ottawa:** 613.274.3662
