FIRE SAFETY

Fire and its consequences pose a significant risk to any business, organization and community. The fact that fire hazards are present in virtually every workplace makes it essential that everyone is informed about how to minimize or eliminate the triggers for a potential fire disaster.

Employees can help to ensure the future of the business or organization and their own personal safety by becoming fire safety smart and actively cooperating with established fire safety policies and procedures.

Training Solution – Online *Fire Safety* Course

This 45-minute course is designed to help identify and reduce the risk that fire presents in the workplace with a focus on fire related hazards, knowledge of the appropriate actions should a fire occur as well as reducing the risks to employees and the workplace property.

Course Overview

By taking **Fire Safety,** participants will review these topics:

- Anatomy of a fire
- Flash point theory
- Fire classification
- Safe-storage of combustibles
- Recognizing common fire hazards in the workplace
- Fire extinguishers and the PASS strategy
- Fire safety plans
- Fire drills and evacuation procedures
- Fire safety at home

Online Course Offers Convenience and Efficiency

These courses are powered by the **Link2eLearning** LMS (Learning Management System), so you can track course progress and completion. Each training solution provides quizzes, a final exam and a course completion certificate.

BENEFITS OF LINK2ELEARNING

All of Link2eLearning's online courses are offered through our learning management system (LMS).

Link2eLearning online learning is:

- ✓ **Easy to use** – for delivering and tracking employee training across the organization - *providing instant, accurate reporting for workplace audit*

- ✓ **Globally accessible** – available anytime, anywhere there is Internet access

- ✓ **Cost-effective** – eliminating the cost of facility rental, travel cost and lost time required for instructor-led training

- ✓ **Flexible** – courses and administrative functions can be scheduled to suit individual needs

- ✓ **Consistent** – enabling you to provide standard training material to all employees across the organization

LMS FEATURES

Employees can:
- Self-register on a secure site
- View and complete the course at their convenience
- Participate in online quizzes
- Produce certificates of completion

Administrators can:
- Monitor participation
- Easily track results
- Export data
